Dear Stakeholders

I am delighted to confirm that, following the first roundtable (held on 27th August 2020), I have taken all appropriate steps to establish a not-for-profit organisation for Global PSSL. I engaged with The Office of the Regulator of Community Interest Companies and I passed a community interest test. I founded a community interest company for the Global Principles for Sustainable Securities Lending on 7 October 2020.

Thank you very much.

Dr Radek Stech
