Progress Report

Dear Stakeholders

Global PSSL has been setting a high standard for transparent and sustainable securities lending since 2018.

The main objective of the Global PSSL College of Advisors is to provide broader expertise so that Global PSSL continues to evolve as an authentic, impartial, and impactful initiative. The college comprises Advisors, who contribute ad-hoc, and Strategic Advisors who are involved more regularly.

Today, we are delighted to welcome Professor Paul Watchman as a Strategic Advisor to the Global PSSL.

Paul is widely recognized as one of the most influential global figures in the development of sustainable finance and has had a long association with the United Nations (UN) and the Principles of Responsible Investment (PRI). You can learn more about his experience by looking at our [College of Advisors website](#).

Paul will advise Global PSSL on ESG and act as a reviewer for the 'Global PSSL for UN Pathways' programme.

This appointment will further our goal of ensuring that Global PSSL evolves as a holistic, inclusive and unifying market standard for transparent and sustainable securities lending around the world.

We look forward to working, and growing, with Paul Watchman!

Kind regards

Radek Stech
