

Global Principles for Sustainable Securities Lending Progress Report

Advisory appointment

Global PSSL
College of
Advisors

The progress report was issued by the Global PSSL Secretariat.

Dear Stakeholders

Global PSSL has been setting a high standard for transparent and sustainable securities lending since 2018.

The main objective of the Global PSSL College of Advisors is to provide broader expertise so that Global PSSL continues to evolve as an authentic, impartial, and impactful initiative. The college comprises Advisors, who contribute ad-hoc, and Strategic Advisors who are involved more regularly.

Today, we are delighted to welcome Mr Gabriel Grego as an Advisor to the Global PSSL.

Gabriel is Managing Partner of Quintessential Capital Management, a long/short global equity fund he founded in 2008. Gabriel is well respected for his ability to expose frauds.

I would also like to emphasise that Gabriel's work [stimulated and supported regulatory actions](#) such as the [ongoing market abuse investigation by the UK Financial Conduct Authority](#). You can learn more about his experience by looking at our College of Advisors website.

Gabriel will advise Global PSSL on Long and Short Investments.

This appointment will further our goal of ensuring that Global PSSL evolves as a holistic, inclusive and unifying market standard for transparent and sustainable securities lending around the world.

We look forward to working, and growing, with Gabriel Grego!

Kind regards

Radek Stech

CEO, Global PSSL
