

Global Principles for Sustainable Securities Lending Progress Report

Strategic appointment

Global PSSL
Secretariat

This progress report was issued by the Global PSSL Secretariat.

Dear Stakeholders

Global PSSL has been setting a high standard for transparent and sustainable securities lending since 2018.

The main objective of the Global PSSL Secretariat is to provide leadership for the operation of the community interest company (CIC).

We are delighted to welcome Mr Michael Riggs as Programme Advisor at the Global PSSL Secretariat.

Michael has more than 20 years of experience working on sustainable development in the United Nations system. He facilitates partnerships and collaboration with the private sector, governments and civil society organizations in support of sustainable investment, responsible business conduct and entrepreneurship. In his current UN position, he supports the private sector, mainly in developing countries, to enhance the sustainability of their businesses through better understanding of due diligence and voluntary sustainability standards.

You can learn more about his experience by looking at our Global PSSL Secretariat website.

This appointment will further our goal of ensuring that Global PSSL evolves as a holistic, inclusive and unifying market standard for transparent and sustainable securities lending around the world.

We look forward to working, and growing, with Michael Riggs!

Kind regard
